Creating your course organization

You add sections, subsections, and units directly in the outline.

Create a section, then add subsections and units. Open a unit to add course components.

Reorganizing your course

Drag sections, subsections, and units to new locations in the outline.

Setting release dates and grading policies

Select the Configure icon for a section or subsection to set its release date. When you configure a subsection, you can also set the grading policy and due date.

Changing the content learners see

To publish draft content, select the Publish icon for a section, subsection, or unit.

To make a section, subsection, or unit unavailable to learners, select the Configure icon for that level, then select the appropriate **Hide** option. Grades for hidden sections, subsections, and units are not included in grade calculations.

To hide the content of a subsection from learners after the subsection due date has passed, select the Configure icon for a subsection, then select **Hide content after due date**. Grades for the subsection remain included in grade calculations.
